## INSIDE THIS ISSUE

- 1** Meeting Info, Prez Notes
- 2** Down N' Backs, Litter Listings, National Preparedness Month
- 3** General Information

## PREZ NOTES

Welcome to summer. I hope that everyone's dogs have survived the heat wave this past month. I must apologize for a lack of a Newsletter recently, but the information hasn't been there to warrant my time. This edition will be brief.

I want to thank the entire membership for recently weighing in on the issue regarding Carol Heidle and the personal emergency that occurred to her property. Since we were between meeting dates, I felt that email was the best way to communicate the issue and ask for a response. I have saved all of the responses if anyone questions how the determination was made not to provide any financial contribution to Carol. I will have those available at the September meeting for review for anyone wishing to see them.

By the time of our September meeting, we will be only 2 months away from our annual Specialty. This will be an important meeting as Lori & Linda will be sharing important information and I am sure asking for last minute help and making assignments. Be sure to mark your calendars for Oct 27-29 at the Delaware Co Fairgrounds.

I still need some thoughts on future meeting sites and speaker/program ideas. This is your club, so please provide some input so that we can have educational and enjoyable meetings.

Steve
