PREZ NOTES

I hope the correct decision was made regarding the cancellation of the February 2007 meeting. I know one person (I won't name any names) that was disappointed she didn't get to enjoy some of that great Italian food (Maybe at the March meeting you will Jennifer).

I hope that everyone has dug out from the massive snowfall that we received this month. One positive thing so far has been the lack of mud, but it will return. Not sure about the cost of doctors bills for those aching muscles from shoveling!

Linda Bednarski has been working the judges issue for the 2007 & 2008 show and will give us an update at the meeting. We have furnished Cynthia Wegner, Show Secretary for 2007 information regarding the Vet on call. Dr Don Mann, DVM has agreed to be available that day. We are still putting together the Labrador mailing list for the premium list. If anyone has any names that they want added to the list, be sure to drop me a line at lavelles@sundel-labradors.com.

Jan Eichensehr has asked me to remind all members that have signed up to support a class for the Specialty to be sure to submit the payment to her. Additionally, she also needs to know what prizes are going to be donated for the \$30 class placements. This information has to be furnished to DOKC very soon to be published in the catalog. If you have any questions regarding what you owe or about your prize, contact Jan directly.

COLRC All-Breed OptiGen,

CERF & Heart Clinic

The clinic will be held on Sunday, March 4th at Refugee Canyon West Boarding Kennel / Veterinary Clinic. Last year's clinic was a huge success and we are hoping for even better numbers this year. The flyer for the clinic can viewed on our web site by entering this address in your web browser.

Help is still needed for the clinic, so be sure to give Jennifer a call and see what time she needs your help and to set up your appointments.

WEB SITE SURVEY

I have provided information to Sarah and her husband for the survey for visitors to our web site. It is a short 5 or 6 question survey with room for additional remarks to be made about the site regarding information posted or information visitors would like to see posted on the site. We are trying to find out who is visiting the site, how they found it, and was the site helpful. It is a work in progress and more details will be coming soon. We have received some comments back already from the survey questions and I will share those at the March 2007 meeting.
