## **PREZ NOTES**

What a weekend! The club just finished another great event. The 2007 Specialty and Supported Entry are in the history book. It appears from early information that we had a financially successful weekend. I thank all of those involved in this massive event. Our show chairperson, Linda Bednarski did a fantastic job of organizing this event.

I am still very busy at work with all the details from the personnel side of the house that it takes to get over 1800 Soldiers ready to be deployed early in January 2008. Luckily, they will get to spend Christmas this year with their families. Say a special prayer for these Buckeye Soldiers as they get ready to deploy. This is the largest deployment of Ohio National Guard Soldiers since the tragic events of 9/11.

Please be sure to attend the November meeting and view the results from the show. It is also important that you support the election of new Officers and Board Members. The nominating committee has worked hard to come up with this slate for the membership to vote on.

I wanted to say "thank you" for all the support that I have been given the past two years while serving as your President. I am sure if you give your support to the new President, the club will continue to move forward and venture into new areas.

Steve L., Prez (Lame Duck)

## THANK YOU

Dear COLRC Members,

Once again our specialty was a huge success, thanks to the efforts of our members. Our first year to have an independent specialty on Friday went smoothly with a nice entry that followed through the entire weekend. Our decorations were gorgeous, the hospitality lunch was fabulous and there were very many compliments on that portion of the show thanks to Deb's great recipes! Our raffle once again was a huge success with everyone's generous donations and Joni's fabulous baskets, it was our big income source this year. Our show secretary was incredibly organized and efficient and all was run in accordance with AKC rules. The cooperation of the Delaware Kennel Club was excellent and provided us with many valuable perks including the tent, ring set up, ribbons for the weekend classes etc. We will have to re-group somewhat next year to comply with fairgrounds requirements with regard to bringing in lunch so there will be some future discussions about next years event.

Thanks to everyone who contributed to set up, clean up, hospitality, decorations, raffle and ribbon donations. We need to have even more members involved in these efforts to make everyone's job easier so rest up and plan to volunteer for next year! I will try to have a preliminary income/expense report for the November meeting so we have some idea where we stand and how our Friday independent show contributed toward the weekend.

Thanks again to everyone for helping to make our annual event a huge success and my job as chairperson easier!

Linda B.

## ALMOST FORGOT

Just a couple of additional items for thought before the meeting.

Currently there are no plans for a Christmas Party. Does anyone want to step up to the plate and host this event?

Additionally, what is the club's thought on contacting the AKC regarding changing the by-laws with regard to the number of club and board meetings per year.
